

Come Learn about:

The Colorado Enterprise Zone Program!

Topic:

The Colorado Enterprise Zone (EZ) Program is designed to promote a business-friendly environment in economically distressed areas by offering state income tax credits that incentivize businesses to locate and develop in, and non-profit organizations to assist with the needs of these communities.

Come learn why and how you should be utilizing the EZ program, what tax credits are available, how to apply, and how non-profits can benefit from the program.

Presenter:

The EZ program was created by the Colorado legislature in 1986 and AGNC has acted as the NW EZ Administrator since its inception. The eight (8) counties currently included in the NW EZ are: Clear Creek, Garfield, Gilpin, Grand, Jackson, Moffat, Rio Blanco, and Routt.
